The state treasurer may not accept a deposit and issue a certificate for it, unless the deposit is accompanied by evidence that there are no unsatisfied liens of any character on the assets deposited.

(2) The deposit shall be held by the state treasurer in trust to satisfy any execution on a judgment that would be paid under an insurance policy conforming to Section 31A-22-302 had the treasurer issued such a policy.

(3) Except as provided under Subsection (2), assets deposited with the treasurer under this chapter are exempt from attachment or execution.

Enacted by Chapter 242, 1985 General Session

(2) Persons holding a certificate of self-funded coverage under this chapter shall pay benefits to persons injured from the self-funded person's operation, maintenance, and use of motor vehicles as would an insurer issuing a policy to the self-funded person containing the coverages under Section 31A-22-302.

(3) In accordance with Title 63G, Chapter 4, Administrative Procedures Act, the department may, upon reasonable grounds, cancel the certificate. Failure to pay any judgment up to the limit under Subsection 31A-22-304(2) within 30 days after the judgment is final is a reasonable ground to cancel the certificate.

If, after a hearing, the department determines that a particular proof of owner's or operator's security filed under this chapter no longer fulfills the purposes for which it is required, the department shall require proof of security in another permitted form. Pending the filing of the other proof, the department shall suspend the license and registration or the nonresident's operating privilege.

Enacted by Chapter 242, 1985 General Session

41-12a-410. Employee and family relationships.

Whenever any person required to give proof of owner's or operator's security is an operator in the employ of any owner, or is a member of the immediate family or household of the owner, the department shall accept proof of security by the owner in lieu of proof by the employee, family, or household member. The department shall

indicate by restriction on the operator's license the vehicles the operator may operate on the basis of that proof of security.

Enacted by Chapter 242, 1985 General Session

41-12a-411. Duration of proof of owner's or operator's security.

(1) Except as otherwise provided under this section, any person required to give proof of owner's or operator's security shall maintain that proof with the department for a period of three years from the date the filing of proof was last requested. Subject to Subsection (2), the department shall:

(a) upon request, consent to the immediate cancellation of any bond or certificate of insurance;

(b) direct the state treasurer to return to the person entitled to it any money or securities deposited pursuant to this chapter as proof of owner's or operator's security; or

(c) waive the requirement of filing proof, if the person on whose behalf the proof was filed dies or becomes permanently incapacitated to operate a motor vehicle or if the person who has given proof surrenders his registration to the department, except that if he applies for a registration within three years from the date proof was originally required, the application shall be refused unless the applicant reestablishes proof of owner's or operator's security and maintains the proof for the remainder of the three-year period.

(2) (a) The department may not consent to the cancellation of any bond or the return of any money or securities if any action for damages upon a liability covered by that proof is then pending, if:

(i) any judgment of liability is unsatisfied; or

(ii) the person who filed the bond or deposited the money or securities has, within one year immediately preceding the request, been involved as an operator or owner in any motor vehicle accident resulting in injury or damage to the person or property of others.

(b) An affidavit of the applicant is sufficient evidence in the absence of contrary evidence in the records of the department if the affidavit declares:

(i) the nonexistence of liability or accidents;

(ii) that the person has been released from all liability; or

(iii) that the person has been finally adjudicated not to be liable for the injury or damage.

Amended by Chapter 216, 1999 General Session

(b) The security shall be in an amount determined by the department to be

sufficient to satisfy judgments arising from bodily injury, death, or property damage resulting from the accident that may be recovered against the operator, but may not exceed the minimum single limit under Subsection 31A-22-304(2).

(c) The department shall determine the amount of post-accident security on the basis of reports and other evidence submitted to the department by interested parties, including officials investigating the accident.

(e) Persons who fail to file required post-accident security are subject to the penalties under Subsection (3).

(2) The operator is exempted from the post-accident requirement under Subsection (1) if any of the following conditions are satisfied:

(a) No bodily injury, death, or damage to the property of one person in excess of the damage limit specified under Section 41-6a-401 resulted from the accident.

(b) No injury, death, or property damage was suffered by any person other than the owner or operator.

(c) The owner of the motor vehicle was in compliance with the owner's security requirement under Section 41-12a-301 at the time of the accident and the operator had permission from the owner to operate the motor vehicle.

(d) The operator was in compliance with the operator's security requirement under Section 41-12a-301 at the time of the accident.

(e) The operator has filed satisfactory evidence with the department that the operator has been released from liability, has been finally adjudicated not to be liable, or has executed a duly acknowledged written agreement providing for the payment of an agreed amount in installments with respect to all claims for injuries or damages resulting from the accident and is not in default on that agreement.

(f) The motor vehicle involved in the accident was operated by a nonresident who had an insurance policy or bond covering the accident, but not fully complying with the policy provision requirements under Section 31A-22-302, if the policy or bond is sufficient to provide full recovery for claimants and the policy or bond is issued by an insurer licensed in the state.

(g) The operator at the time of the accident was operating a motor vehicle owned or leased by the operator's employer and driven with the employer's permission.

(i) The motor vehicle was legally parked at the time of the accident.

(j) The motor vehicle was an emergency vehicle acting in the line of duty at the time of the accident.

(k) The motor vehicle involved in the accident is owned by the United States, this state, or any political subdivision of this state, if the operator was using the vehicle with the permission of the owner.

(l) The motor vehicle was legally stopped at a stop sign, traffic signal, or at the direction of a peace officer at the time of the accident.

(3) (a) If an operator who is required to file post-accident security under Subsection (1) does not do so within 10 days after receiving notice of the requirement

of security, the department shall suspend the driver's license of the operator and all registrations of the owner, if he is a resident of the state.

(b) If the operator is not a resident of Utah, the department shall suspend the privilege of operating a motor vehicle within the state and of using, in the state, any owned motor vehicle.

(b) The information may consist of identifying the policy, bond, or certificate's issuer and number.

(c) The department may rely upon the accuracy of the information unless it has reason to believe that it is erroneous.

(2) (a) The operator of a motor vehicle involved in an accident shall, unless physically incapable, make an accident report.

(b) If the operator is physically incapable, the owner shall, if physically capable, make a report within 10 days of learning of the accident.

41-12a-503. Conditions to license, registration, and privilege renewal.

The license, registration, and nonresident's operating privilege suspended under Subsection 41-12a-501(3) remain suspended and may not be renewed nor may that license or registration be issued until one of the following is satisfied:

(1) The person deposits or has deposited on his behalf the post-accident security required under Subsection 41-12a-501(1).

(2) One year has elapsed following the effective date of the suspension and evidence satisfactory to the department has been filed that during that period no action for damages arising out of the accident has been commenced.

(3) Evidence satisfactory to the department has been filed with it of a release from liability, of a final adjudication of nonliability, or of a duly acknowledged written agreement providing for the payment of an agreed amount in installments with respect to all claims for injuries or damages resulting from the accident. In the event of default in the payment of any installment under such an agreement, upon receiving notice of the default, the department shall suspend the license and registration or nonresident's operating privilege of the person defaulting. This license, registration, or nonresident's

operating privilege may not be restored until either:

(a) The person deposits and thereafter maintains security as required under Subsection 41-12a-501(1).

(b) One year has elapsed following the date when the security was required and during that period no action upon the agreement has been instituted in a Utah court.

41-12a-504. Payments by insurers as evidence to the department.

(1) The department may accept evidence of a payment to an operator or owner of a motor vehicle involved in an accident by the insurer of any other person involved in the accident on account of damage to property as effective to relieve the operator from the post-accident security and suspension provisions of this chapter in respect to any claim for property damage by the person on whose behalf the payment has been made. A payment to the insurer of an operator or owner under its right of subrogation is the equivalent of a payment to the operator or owner.

(2) The department may accept evidence of a payment on account of bodily injury to a person involved in an accident by the insurer of any other person involved in the accident as effective to relieve the person to whom the payment is made from the post-accident security and suspension provisions of this chapter in respect to any claim for bodily injury by the person on whose behalf the payment is made.

Enacted by Chapter 242, 1985 General Session

41-12a-505. Effect upon nonresident of use of state highways.

(1) (a) The use and operation by a nonresident or his agent, or of a resident who has departed Utah, of a motor vehicle on Utah highways is an appointment of the Division of Corporations and Commercial Code as the true and lawful attorney for service of legal process in any action or proceeding against the person arising from the use or operation of a motor vehicle over Utah highways which use or operation results in damages or loss to person or property.

(b) The use or operation referenced in Subsection (1) is an agreement that process shall, in any action against the person in which there is such service, be of the same legal force and validity as if served upon him personally in Utah.

(2) (a) Service of process under Subsection (1) is made by serving a copy upon the Division of Corporations and Commercial Code or by filing a copy in that office with payment of a reasonable fee.

(b) The plaintiff shall, within 10 days after service of process, send notice of the process together with plaintiff's affidavit of compliance with this section to the defendant by registered mail at the defendant's last-known address.

(c) The division shall keep a record of all process served showing the day and

hour of service.

Amended by Chapter 127, 2006 General Session

41-12a-506. Application to persons without license or registration.

If the operator or the owner of a motor vehicle involved in an accident in Utah has no license or registration in Utah, or is a nonresident, he may not obtain a license or registration in Utah until he has complied with the requirements of this chapter to the extent that would be necessary if, at the time of the accident, he held a Utah license and registration.

Enacted by Chapter 242, 1985 General Session

41-12a-507. Cooperation with other states.

(1) When a nonresident's operating privilege is suspended under this chapter, the department shall send a certified copy of the record of the action to the official in charge of the issuance of licenses and registration certificates in the state in which the nonresident resides, if the law of the other state provides for action similar to that provided for in Subsection (2).

(2) Upon receipt of certification from the official of another state that the operating privilege of a Utah resident has been suspended in the other state for failure to deposit post-accident security for the payment of judgments arising out of a motor vehicle accident, under circumstances which would require the deposit in Utah, the department shall suspend the license of the resident if he was the operator, and all of his registrations if he was the owner of a motor vehicle involved in the accident. These suspensions continue until the Utah resident furnishes evidence of his compliance with the law of the other state relating to the deposit of post-accident security.

Enacted by Chapter 242, 1985 General Session

41-12a-508. Form and amount of post-accident security.

(1) The post-accident security required under Subsection 41-12a-501(1) shall be in the form of cash, cashier's check, a national or Utah bank's clean and irrevocable letter of credit, or the assignment of a bank's certificate of deposit. The department may not require a deposit in excess of the minimum single limit under Subsection 31A-22-304(2). The person depositing security shall specify in a manner specified by the department the persons on whose behalf the deposit is made and may, at any time while the deposit is in the custody of the department or state treasurer, in a manner specified by the department amend the specification of the persons on whose behalf the deposit is made. However, a single deposit of security is applicable only on behalf of persons required to furnish security because of the same accident.

(2) Subject to Subsection (1), the department may alter the amount of post-accident security required if, in its judgment, the amount previously ordered is excessive or inadequate. If the security originally ordered is determined to be excessive, the excess deposited over the reduced amount ordered shall be returned to the depositor or his personal representative as soon as possible, notwithstanding the

provisions of Section 41-12a-509. If the security originally ordered is determined to be inadequate, the depositor may be required to increase the deposit within 20 days or be subject to the penalties under Subsection 41-12a-501(3).

Amended by Chapter 85, 2001 General Session

41-12a-509. Custody and terms of post-accident security deposits.

Post-accident security deposited in compliance with Subsection 41-12a-501(1) shall be placed by the department in the custody of the state treasurer and may be applied only to the payment of judgments rendered against the persons on whose behalf the deposit was made, for damages arising out of the accident in question in an action at law, begun not later than one year after the date of the accident, or within one year after the date of deposit of any security under Subsection 41-12a-503(3)(a), or to the payment in settlement, agreed to by the depositor, of claims arising out of the accident. The deposit or any balance of it shall be returned to the depositor or his personal representative when evidence satisfactory to the department has been provided that the conditions of either Subsection 41-12a-503(2) or (3) have been satisfied.

Enacted by Chapter 242, 1985 General Session

41-12a-510. Report, findings, action, and security as evidence.

Neither the report required under Section 41-12a-502, nor the department's findings, action, or requirement of post-accident security under this chapter may be referred to in any way, nor be any evidence of negligence or due care of either party, at the trial of any action at law to recover damages.

Enacted by Chapter 242, 1985 General Session

41-12a-511. Failure to satisfy judgment.

(1) Whenever any person fails within 60 days to satisfy any judgment, it is the duty of the clerk of the court or of the judge of a court which has no clerk in which any such judgment is rendered in Utah, upon the written request of the judgment creditor or his attorney, to forward to the department immediately after the expiration of the 60 days, a certified copy of the judgment.

(2) The department, upon the receipt of a certified copy of a judgment, shall suspend the license and registration and any nonresident's operating privilege of any person against whom the judgment was rendered, except as provided in Subsection (5) and Section 41-12a-513.

(3) Except as provided under Subsection (5) and Section 41-12a-513, a license, registration, and nonresident's operating privilege suspended under Subsection (2) remains suspended and may not be renewed nor may that license or registration be thereafter issued in the name of the same person, including a person not previously licensed, unless every such judgment is stayed or satisfied in full within the meaning of Section 41-12a-512, and until the person files proof of owner's or operator's security.

(4) If the judgment debtor named in any certified copy of a judgment reported to

the department is a nonresident, the department shall transmit a certified copy of the judgment to the official in charge of the issuance of licenses and registration certificates of the state of which the judgment debtor is a resident.

(5) If the judgment creditor consents in writing, in a form the department prescribes, that the judgment debtor be allowed license and registration or nonresident's operating privilege, they may be allowed by the department for six months from the date of the consent and thereafter until that consent is revoked in writing, notwithstanding the default in the payment of the judgment or of any installments thereof prescribed in Section 41-12a-513, if the judgment debtor furnishes proof of owner's security.

Enacted by Chapter 242, 1985 General Session

41-12a-512. When judgments deemed satisfied.

Judgments arising from a single accident which in the aggregate are in excess of the minimum single limit under Subsection 31A-22-304(2) shall be considered satisfied in full, for the purpose of this chapter only, when payments equal to that limit have been credited to the judgment. Payments made by the judgment debtor prior to the judgment, but on the claim which arose out of the bodily injury, death, or property damage caused by a motor vehicle accident shall be credited in reduction of the amount necessary for the judgment to be considered satisfied in full for purposes of this chapter. If multiple judgments against a depositor of post-accident security arise out of the same accident, and in the aggregate the several claims exceed the amount deposited, then the deposit shall be distributed pro rata, based upon each judgment creditor's portion of the total judgments arising from the accident. Any punitive or exemplary damages awarded a judgment creditor may not be considered in determining the claimant's pro rata share.

Enacted by Chapter 242, 1985 General Session

41-12a-513. Payment of judgment in installments.

(1) A judgment debtor upon due notice to the judgment creditor may apply to the court in which the judgment was rendered for the privilege of paying the judgment in installments. The court, in its discretion and without prejudice to any other legal remedies the judgment creditor may have, may so order and fix the amounts and times of payment of the installments.

(2) Subject to Subsection (3), the department may not suspend a license, registration, or a nonresident's operating privilege, and it shall restore them if previously suspended for nonpayment of a judgment, if the judgment debtor:

- (a) obtains orders under Subsection (1) as to all unsatisfied judgments; and
- (b) provides and maintains proof of owner's or operator's security.

(3) If the judgment debtor fails to pay any installment as specified by an order under Subsection (1), then upon notice of that default, the department shall suspend the license, registration, or nonresident's operating privilege of the judgment debtor until the judgment is satisfied.

Enacted by Chapter 242, 1985 General Session

41-12a-601. Collusive transfers prohibited.

If an owner's registration has been suspended under this chapter, the registration may not be transferred nor the motor vehicle registered in any other name until the department is satisfied that the transfer or registration is proposed in good faith and not with the intent or the effect of defeating the purposes of this chapter. This section does not affect the rights of a conditional vendor, chattel mortgagee, or lessor of a motor vehicle registered in the name of another as owner who becomes subject to the provisions of this chapter.

Enacted by Chapter 242, 1985 General Session

41-12a-602. Filing of false report.

Any person who gives information required in a report provided for under Section 41-12a-502, knowing or having reason to believe that the information is false, or who shall forge or, without authority, sign any evidence of proof of owner's or operator's security, or who files or offers for filing any such evidence of proof, knowing or having reason to believe that it is forged or signed without authority, or who falsely swears or affirms when obtaining license plates, a safety inspection, or a registration under Section 41-12a-303, is guilty of a class A misdemeanor.

Enacted by Chapter 242, 1985 General Session

41-12a-603. Operating motor vehicle without license or registration.

Any person whose license or registration or nonresident's operating privilege has been suspended or revoked under this chapter and who, during the suspension or revocation drives any motor vehicle upon any highway or knowingly permits any motor vehicle owned by the person to be operated by another upon any highway, except as permitted under this chapter, is guilty of a class C misdemeanor.

Amended by Chapter 241, 1991 General Session

41-12a-604. Suspension of license.

(1) A person convicted of a class A or a class B misdemeanor under this chapter, in addition to any other penalties which are imposed by law, shall have his operator's license suspended by the department.

(2) Whenever any person is convicted of an offense for which this chapter mandates the suspension of his license or the registration of his motor vehicle, and that person does not produce proof of owner's or operator's security at the time of his appearance, the court in which the conviction takes place shall require the surrender to it of all pertinent evidences of registration, including all registration cards, license plates, nonresident temporary permits, and other similar materials then held by the person so convicted. This court shall then forward the registration materials to the Motor Vehicle Division of the State Tax Commission and send the Driver License Division a record of the conviction. If the person so convicted secures a judgment of acquittal or reversal of

this conviction in any appellate court, the department shall reinstate his driver license or privilege and the Motor Vehicle Division shall reinstate the registration of his motor vehicle immediately upon receipt of a certified copy of the judgment of acquittal or reversal.

(3) If the owner has surrendered the owner's registration materials to the Motor Vehicle Division, the owner may, unless otherwise prohibited by law, apply for a new registration, by providing proof of owner's security.
